

Resolution # TC-1858
Hazardous Materials Routing Policy
May 20, 2010

WHEREAS, Title 42, Article 20 of the Colorado Revised Statutes governs the routing of hazardous materials by motor vehicles on all public roads. The Colorado State Patrol has authority to designate which public roads shall be used and which shall not be used by motor vehicles transporting hazardous materials; and

WHEREAS, the Department of Transportation is the authority that is responsible for petitioning the Colorado State Patrol to make changes to any public road maintained by the state that is not located within a town, city, or city and county, and the Transportation Commission must approve any petition the department wishes to make to the Colorado State Patrol regarding changes to hazardous materials routes; and

WHEREAS, No formal, uniform process exists for considering whether the department should petition changes to hazardous materials routes; and

NOW THEREFORE BE IT RESOLVED, Policy Directive 1903.0
Hazardous Materials Routing Policy is hereby adopted.
